Aşağıdaki metnin
içinde beni bul ve
işaretle.

Eda dokuz yaşındaydı. Annesi, babası, dedesi ve Bıdık adında bir kedisiyle yaşıyordu. Eda'nın ismini dedesi koymuştu. Kedisine de Bıdık ismini Eda verdi.

Eda sabahları badem yemekten hoşlanır. Akşamları ise bir bardak süt içmeden yatmazdı. Sabahları ise güneşin doğuşu ile erkenden kalkardı. Tabii ki erkenden kalmasının bir sebebi vardı. Bıdık hiç durur muydu? Her sabah Eda'yı gıdıklayarak uyandırırdı.
